Sir,

Subject Sanctioning of sum of Rs 800/- out of the closing balance for the current year- Nosakote Municipal Council prays for--for catching and driving out monkeys, causing havoc, in Nosakote Town Municipal Limits

In forwarding herewith the entire file of correspondence on the above subject, I have the honour to state that monkeys at Nosakote town are reported to have been causing havoc A sum of Rs 800/- provided for catching and deporting them into a distant place or forest is reported to be inadequate The Municipal Council have therefore been praying for permitting an expenditure of Rs 800/- out of closing balance for the above purpose The Municipal Council and also the public in particular are urging for making adequate provision of money for being spent for this purpose The irreparable loss and severe disturbances being caused on account of the monkeys are fully explained in the enclosed report of the Municipal President Nosakote

The Municipal President was asked to try the method of potash shots for driving the monkeys out of the Municipal C limits as it is reported that there are more than about 600 monkies they cannot be easily drived out by applying the method of potash shots So, when it has become a source of nuisance, the rate-payers in particular are expected to think of doing some thing in this behalf and when they have been automatically and representing to the Municipal Council, the Council have reported to the undersigned on the subject could be seen from the records

a number of times as

In view of all these things I have had to allow the Municipal Council to incur expenditure to the extent of Rs 800/- as prayed for, in anticipation of kind sanction The Municipal President has been this day asked to commence the work and speedily spend the money on this account in strictest economy possible He is further instructed to maintain separate daily accounts so that minimum expenditure is incurred & strict supervision is kept up as to the number of monkeys caught and deported and expenditure incurred thereby his subordinate officials deputed for this item of additional work

In the circumstances detailed above, I have the honour to request that a sum of Rs 800/- which is proposed to be spent and allowed by the undersigned towards this important item, out of the closing balance of the current year may kindly be got sanctioned by the Government at a very early date

Sir,

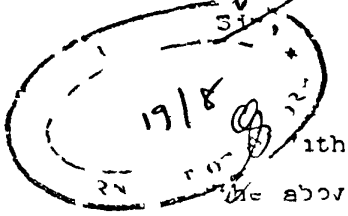
Sub - Catching and deporting monkeys in Hoskot Municipality



With reference to your letter No 10604/Dated 7/8/48, on the above subject, I have the honour to enclose herewith the report H C 69/47-3, dated 9/7/48, received from the President, Hoskote, Municipality for favour of kind perusal

It will be seen therefrom that the monkeys have done much havoc in town and are a [illegible] nuisance to the public as they are said to attack even human beings and cause serious injuries, and they endanger the life of human beings

Under the provisions of xxx sxchapter VI of the town municipal Act, it is obligatory for the municipality to remove the nuisance by deportation from the council area. [illegible] that monkeys increased in their number, there is every likelihood of human life being increased. The councillors are therefore unanimous in their decision to get rid of the monkeys menace at Hoskote, I have also personally seen during the course of my inspection of the town that monkey nuisance in the town is very real as they not only destroy and damage properties but attack men and bite them

As the only course open to them is to catch them and deport them, the president reports that nine years ago this method was tried and was successful

Hence the recommendation is made to sanction the incurring all expenditure of Rs 800/- for this purpose It may also be added that the entire population is agitating for the deportation of monkeys and as such the expenditure is under true

So far no expenditure has been incurred in this about, in

In the current years budget provision of 100/- is made it will be quite inadequate In the above circumstances I request that orders of Government may kindly be obtained to enable me to incur all expenditure not exceeding Rs 300/- including the budget provision

The report of the Government is enclosed for kind perusal

I have the honour to be,

Sir,

Your most obedient servant,
